**Check Valves for
 Sewer Cleaning Trucks!**

Get Me a Check-All®

For many decades, Check-All Valve® has **designed** and **manufactured** these check valves used as **original equipment** in the Vactor Rodder Pump for sewer cleaning trucks.

Check-All Valve® is now offering **our original design** of the 3" inlet (29384D) and 2" discharge (29385) Vactor Rodder Pump check valves directly to the consumer.

- **NOT** copies
- **NOT** remanufactured
- **They ARE the Original**

Order your valve straight from **CHECK-ALL®**.

Most orders ship within 2 business days!
